STUDENT FEEDBACK

"...After 6 months researching for the best make up school around the Midlands I had chosen Manisha. I have enjoyed every minute of the course. Everyday excited me as you got to learn different make up techniques. I am so grateful I made the right choice. My greatest achievement and opportunity after completing my qualification was being able to shadow Manisha on real bridal bookings and have the opportunity to work along side a magazine shoot. I still cant believe it has only been 5 months since I first attended the academy. So many great opportunities given. Thank you so much for making my dream come true (faster than I ever imagined)..."
